

## HIGH-NAPO ADVENTURE

### RAFTING TRIPS:

#### High-Napo - Class III, 25 Km

Our most popular trip in the area is the Jatun Yacu, "Big River" in Quichua. It's a great trip for both beginners and experts alike, has the perfect combination of riffles and pools and landscape of jungle and mountains; the river rises in Llanganates National Park making it one of the cleanest we have in the Amazon, the main tributary of the Napo River.

**Season:** All year.

#### **COST PER PERSON: USD55,00**

##### **PACKAGE INCLUDES:**

- Professional guides.
- Equipment: Helmet, life jackets, and paddles of the highest quality.
- Security kayaker.
- Transportation to the river and back.
- Lunch at the halfway.

**Requirements:** No rafting prior experience is required.

#### Misahualli River - Class IV, 23 Km

Challenging rafting unlike any other river, a deep canyon surrounded by virgin forests and sparkling waterfalls, makes this river full of adrenaline. Experience also means big rapids class IV; we have some internationally known fast ones as the Casanova and Land of the Giants.
